READ TO SUCCEED

Presented By:

BMO

Parent Program Overview

Dear Parent,

Our class has been selected to participate in the Vancouver Giants "BMO Read to Succeed" Program. With the generous support of sponsors BMO, Save-On-Foods, PNE and Subway® restaurants, the Program is now entering its thirteenth year in Lower Mainland classrooms. Last year alone, "Read to Succeed" involved over 70 schools and 15,000 students in ten School Districts.

The success of the "BMO Read to Succeed" Program received special recognition for its contributions to student achievement with the BC School Superintendents Award of Recognition. With the support of the Ministry of Education and the Ministry of Healthy Living and Sport, this program has expanded province-wide to include all six BC-based Western Hockey League Teams.

Two players and support staff from the Vancouver Giants visited our school today to speak about the importance of education. They presented a reading and physical activity challenge to our students. Our class will participate in the reading program based on books of interest and appropriate reading level for a two-week period involving 15 minutes of reading per day. Each student is to complete the included log of minutes spent reading outside of class and have it initialed by a parent in order to contribute to a class tally. In the physical activity portion of the program, students need to complete 30 minutes of physical activity per day for the same two-week period, again by filling out their logs included in this passport.

A full class tally, based on 15 minutes of reading and 30 minutes of physical activity for each student per day over a two-week period will qualify the class for tickets to attend a WHL hockey game. Tickets will also be made available to family and friends of the students at a reduced rate (details will follow at the completion of the program).

Ruben's Shoes will be at the Giants game to help fans get involved in giving back! It's a way for kids to learn about the differences in life around the world, to learn about compassion, and to learn about helping. In many places, a pair of shoes can provide a child with the opportunity to go to school and change their life. We encourage students to bring their gently used shoes to the Giants game they attend. For more information please go to: **www.rubensshoes.com**

Please partner with the Vancouver Giants, our sponsors BMO, Save-On-Foods, and BC Fresh, and in encouraging our students to regularly spend time reading and being physically active. Please support your child in this challenge over the next two weeks and ensure that the completed tally is signed and returned to school two weeks from today.
