

LYNDHURST NEWSLETTER DECEMBER 2019

What an exciting month we've had! The Polar Express concerts and our Breakfast with Santa were all a great success.

It was fantastic to hear our students' lovely voices as they performed and entertained us with seasonal music. Thank you to our students for practicing and presenting with such enthusiasm! A special appreciation goes to Ms. Nastalski who did a great job of preparing the students and working hard to make the concerts so enjoyable! Thanks as well to the PAC for organizing the Bake Sale and all the families who donated baking and/or purchased Bake Sale items at the door.

Thank you so much to the parents who helped to organize, set-up, serve and clean up at our Breakfast with Santa. This event is always one of the highlights of our school year. Also, a special nod to Santa for taking the time to visit Lyndhurst!

At this time of the year, we take time to reflect on the year that has passed. I thank everyone in our community who works so hard to create a caring and supportive learning environment for our children. The teachers and support staff show an enormous generosity of spirit as they work with their students each day and it is heartwarming to witness the love and support that parents give their children. Our Lyndhurst staff would like to wish everyone a joyous holiday season, filled with the company of family and friends. We look forward to seeing everyone back at school on January 6th after a good rest!
