## Vice Principal's Message: September 2022

Dear Lyndhurst families,

It has been a busy month at Lyndhurst! We have been fortunate to be able to welcome families back into the school after such a long period of restrictions and are happy that many of the familiar routines have returned as well. This month saw a community picnic, parent-teacher conferences and our Terry Fox run. We have also seen the return of the PAC sponsored hot lunch program that will be operating twice a week starting in October.

I would like to congratulate our school community for raising over \$400 for the Terry Fox foundation for cancer research. I understand that this is a new record for Lyndhurst! As we have surpassed our fundraising goal the school will get an extra recess as well as get to see Mr. Singh and myself get a pie in the face! I just hope that there is lots of whip cream 😊

With all of these events it has been great to see many families come out and reconnect with the school and each other. It has been a long 2½ years of social distancing and it is nice to finally be together again. I have enjoyed getting to know the students and their families here at Lyndhurst and look forward to a great year together!

Although the school is now open to parents, I would like to remind you to check in at the office if you are coming after 8:55 or before 3:00.

Thank you,

Scott Hodges  
Vice Principal
