Dear Lyndhurst families,

After spending the first part of the morning at our Celebration of Learning Assembly today, I am reminded of how many amazing things happen here at Lyndhurst. Students are continuously challenged to excel, and everyone is able to find success in whatever way fits for them. Today we were joined by many family members who were able to help us celebrate the learning on display. If you were not able to join us this morning, perhaps you will be able to next month when we share again.

Looking ahead to next month, we are excited to host a family dinner and movie night on May 12th completely supported by the PAC. (That means the dinner and movie are free!) This is a great example of your own fundraising dollars at work, and I hope that many of you are able to join us here that evening. I also hope that many of you will consider joining the PAC on a regular basis as we will need new members soon.

We are also looking forward to our annual Sport's Day on May 19th which will be a great kick off to the long weekend. Come out and cheer your kids on as they compete in many fun activities. There is also an order going out for a hot dog lunch that day. After the final events, stick around for some coffee and conversations in the gym before students are dismissed at 1:00 that day.

As always, I want to wish families the best this month and encourage you to reach out to the school if you ever have any questions or concerns.

Thank you,

Scott Hodges
