

## LYNDHURST ELEMENTARY | PARENT ADVISORY COUNCIL NEEDS YOU!

JUNE 2023

# CONSIDER JOINING! PLEASE COME VOTE!

Dear Lyndhurst Families,

We'd like to encourage you to join our Parent Advisory Council meeting this **Wednesday, June 14 at 9am** in the school library. This will be our last meeting for this year and we will be voting to fill open positions and reviewing the budget / plan for next year.

We understand some of you may be hesitant to join because you don't know how you can help. We want to assure you there is a job for everyone. As current members of the PAC, we are here to help you figure out how you can contribute to our school community.

The PAC plays an important role in supporting our school and students. We work closely with the school administration to provide input on important decisions, organize events and fundraisers, and advocate for the needs of our students. By joining the PAC, you will have the opportunity to make a real difference in the lives of our elementary school kids. You will also meet other parents and guardians who share your commitment to our school. Further, you may find ways to increase your skills and build experience you can apply to other things. **Please consider joining us on June 14 at 9am. If this time does not work for you, please reach out to us through email or our facebook page (listed below).** We look forward to meeting you and working together to make our school the best it can be!

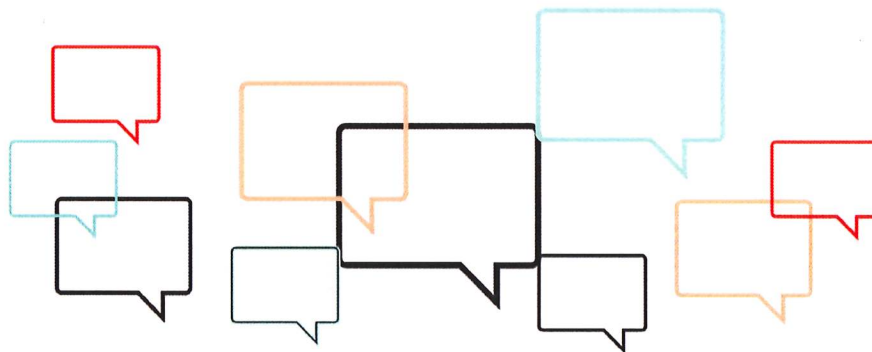

Many of our current members will be leaving this year, so now is the time to tap into our experience! We need fresh faces and new ideas to keep the PAC going strong.

The PAC provides funding for a wide range of programs and activities, including field trips, classroom supplies, and extracurricular activities. We also organize events such as bake sales, run the hot lunch program, and plan other fundraisers to help support these programs.

Without the PAC, many of these programs and activities would not be possible. We believe every student deserves access to these opportunities, and we are committed to making sure they continue to be available.

The PAC is a vital part of our school community, providing funding and support for many of the programs and activities our students and teachers enjoy. In order to continue to provide this support, we need new members to join the council.

Please come out on June 14 and see how you can help keep these activities going for our kids!

We understand for some of you, English may not be your first language, and you may be hesitant to join because you are worried about communication difficulties. We want to assure you language should not be a barrier to joining the PAC. We believe diversity makes us stronger, and we welcome parents and guardians of all backgrounds and language abilities.

If you are worried about your English skills, please know there are ways to help that do not require advanced writing or speaking abilities. For example, you could help with event planning, fundraising, or outreach efforts. Your language skills will likely be an asset, as they can help us better connect with families who speak your language and teach us how to better communicate.

We value and appreciate the unique perspectives and experiences each of our members brings to the table. We believe by working together, we can create a more inclusive and supportive school community.
