Dear Lyndhurst families,

Our school is made better by the support of all of you! One important part of this process is the school-based PAC (Parent Advisory Council). As parents you are all automatically members of the PAC and are always welcome at the monthly PAC meetings. What is vital to the functioning of a PAC are the executive roles. These are parent volunteers that take on specific organizing jobs (chair, treasurer, fundraising, etc.).

This year many of the volunteers in those roles are in their final year of the role as their youngest child will be graduating from the school in June. It is vital that there are other volunteers that can take on these roles in the years to come. The idea of this year is for those future volunteers to work alongside the current parents already in those roles to learn the ins and outs of what to do. This will allow for a smooth transition next year when most of the current PAC is gone.

Without a strong and vibrant PAC there will be no hot lunches, pancake breakfast, popcorn Fridays, supported programs like Hip Hop and Ultimate, and classrooms will not have additional funds to supplement their programs. **I would like to urge everyone who is considering joining the PAC to please come to our initial meeting on Wednesday at the school.** *We need your support to continue all of these amazing things that the PAC is responsible for.*

## **Next PAC Meeting:**

**Wednesday, September 20<sup>th</sup> @9:00 in the gym** (coffee will be provided ☺)

Thank you,

**Scott Hodges**
