

Dear Lyndhurst Families,

The Winter Season is quickly approaching, and we are excited to introduce the Growing Smiles Winter Fundraiser program that offers a healthy alternative to cookies, something complementary with chocolates, or just a pop of colour and cheer for the holidays. Proceeds from this fundraiser help to support programs, activities, and resources for our students.

WHY GROWING SMILES?

- Proceeds of sales goes directly to Lyndhurst Elementary
- Growing Smiles helps to support our community by offering healthy fundraisers with quality and customer service you can count on
- Plants are a great way to bring happiness to family and friends this holiday season

2023 FUNDRAISER DATES

- November 6th – 20th: Lyndhurst students pre-sells Poinsettias, Wreaths & Holiday Arrangements
- December 6th: Schools receives holiday plants for distribution

OUR GOAL

To **raise \$500** towards support programs, activities and resources for our students. Lyndhurst will make a profit on each plant that we sell!

ORDERING & PAYMENTS – please order and provide payment directly through our fundraising website: <https://lyndhurstelementary.growingsmilesfundraising.com>, Should you require alternative payment options, please email us at lyndhurstemelementary.pac@gmail.com.

Thank you for supporting us!

Paula White

Lyndhurst PAC Fundraising Coordinator
